The Ministry of Education is implementing full-time Kindergarten over the next two school years, and by September 2011 all Kindergarten classes will be full-time. The Ministry has provided funding in the first year for approximately half of the Kindergarten students who register in our District. Based on a number of factors, but in particular the current available space, the following schools will be providing full-time Kindergarten for the 2010-11 school year:

Schools Offering Full-Day Kindergarten for 2010-11

Colwood Elementary
Millstream Elementary
Sangster Elementary
Sooke Elementary

Hans Helgesen Elementary
Port Renfrew Elementary
Saseenos Elementary
Willway Elementary

John Muir Elementary
Ruth King Elementary
Savory Elementary
Wishart Elementary

All other schools will be offering half-day Kindergarten for the 2010-11 school year. **Parents are reminded that they must register at their catchment area school. To request an out-of-catchment school within the District, register at your catchment school and complete a Student Transfer Form.**

NEW GRADES 1 ~ 12 STUDENTS

(Students who are not currently attending Sooke School District schools
and are planning to attend in September, 2010)

All registrations will be at your neighbourhood school. For new French Immersion Grade 1 students, in the Belmont Zone register at **École John Stubbs Memorial School** & in the Milne's Landing Zone, register at **École Poirier Elementary School** in Sooke.

Registration during the week of February 1 – 5 will help in placing your child in your neighbourhood school. Registration after these dates will be subject to room being available in each school.

While most students living in a school's local catchment will be accommodated at that school, students cannot be guaranteed placement in the catchment area school and may be required to go to a nearby school with room.
